OTHER BURIAL OPTIONS

These prices are effective as of **07/01/2024**

(Prices subject to change without notice)

In most areas of the country, no state or local law makes you buy a container to surround the casket in the grave. However, many cemeteries ask that you buy such a container so that the grave will not sink in. Either a burial vault or a grave liner will satisfy these requirements. Each cemetery in our cemetery area has regulations regarding interment procedures that we can discuss with you.

SETTING FEES are an additional fee assessed by the cemeteries and are not included with this vault price
